Best of Level 5	World Cup Shooting Stars - Senior Large Level 5

CHEERSPORT is proud to present teams with a "Best of" Champion at all of our Grand Championships this year! When determining the "Best of" Champion, judges do not go by score alone. Factors considered when choosing the "Best of" Champion are: teams maximizing skills within the level in each category, teams performing a high number of maximized skills within the level, teams' point deduction within the routine, and teams' overall performance.
